RE: Public Information Request for information related to search warrants (PIR # 19-4761)

Ms. Parsons Labs:

The Department received your above-referenced request on November 1, 2019 seeking specified information regarding all search warrants between 2012 and present. The Department of Public Safety has several different law enforcement divisions that issue search warrants, including the Texas Highway Patrol, the Criminal Investigations Division and the Texas Rangers. These divisions do not share the same "database" so the Department is unable to perform one search to locate the information that you are seeking. Numerous searches would have to be run which would result in significant programming costs, especially due to the amount of time covered by your request. Please consider narrowing your request.

Please clarify what information you are seeking and we will proceed with your request accordingly. In accordance with Government Code section 552.222(d), if we do not receive a written response from you by the 61st day after the date of this letter, your request will be considered to have been withdrawn. You may submit the response in writing via email to OGC.Webmaster@dps.texas.gov, via mail to the address in the letterhead, or in person at our offices at 5805 N. Lamar Blvd. in Austin. Thank you.

Cordially,

ML Calcote

Assistant General Counsel

ML Calioto
